

# Your Character's BIG WANT

*Determining the character's Big Want is a crucial aspect of creating a compelling story. By considering these elements, you can create well-developed characters with clear and compelling desires that drive the plot forward.*

## 1. What overall goal does your character want in the story?

---

---

---

## 2. What's motivating them to go after what they want?

---

---

## 3. What's keeping them from getting what they want?

---

---

---

---

---

## 4. How is what they want connected to a personality trait?

---

---

---

---

---

## 5. How does their backstory influence what they want?

---

---

---

---

---

## 6. Does getting what they want keep them from what they need?

---

---

---

---
